Logistics

Logistics solutions worldwide.

AT, TO, FROM, EVERYWHERE!

Correct, reliable & cost-effective customs clearances, transportation, warehousing & distribution.

We deliver personalized solutions and service requirements for each customer.

Offering clients a wide variety of value-added services to enhance supply chain efficiencies, custom-built IT solutions, flexible worldwide services by land, sea & air with an extensive, competitively priced global network providing a superior customer service.

Our Global Logistics Services:

- Worldwide import and export services covering the worlds major ports & airports.
- Forwarding Agents.
- Global Regular sailing/departures schedules.
- Door-to-door, port-to-port, pick up and delivery services. Local haulage and customs clearance for an integrated supply chain solution.
- Export consolidation and import de-consolidation services.
- Full shipping documentation assistance.
- Solid and durable partnerships with the major shipping lines, ports and the maritime industry worldwide, we negotiate the best rates and pass these savings on to customer.
- No restriction on size or volume, single pallets to FCL (Full Container Loads) and industrial equipment (including out of gauge shipments, RO-RO).
- We manage LCL (Less than Container Load) and groupage services which incorporate delivery to the final destination.
- Flexibility and capacity to handle any type of requirement: direct shipments, back-to-back, consolidations, triangle shipments, transhipments, time-definite, freight contracting and others.
- Air/Sea/Road services - combined air, sea and road freight for a cost effective alternative when there are no time constraints.
- Cargo transport insurance.
- Warehousing.
- 24 Hours Cargo Track & Trace through our Intranet

Customs

Clearance & Assistance.

WE MAKE CUSTOMS SIMPLE!

As well as moving our customer's cargo throughout the globe, our customs experts have a strategic view of all country-specific requirements and customs obligations. This global vision means we can take control of all customs formalities on behalf of our customers, ensuring compliance at all stages and planning your trade lanes efficiently to deliver a cost effective forwarding solution and an optimised supply chain.

Our Global Customs Services:

- A stand-alone customs clearance offer or a combined global shipment management solution.
- Fully licensed customs broker with AEO accreditation.
- We centralised all customs procedures to be carried out in the Spanish Iberian Peninsula and the Balearic Islands, in a single Customs office assigned by the Spanish Customs Department. Shortly this will be applicable to all European Countries and Areas. At present we can clear other Countries and Areas locally.
- Management of all customs formalities: traditional, quotas, licences, tax representation, transit documents and others.
- Our experts are international trade professionals who specialise in project-based work and complex daily issues. They have the knowledge and expertise to assist with issues that fall outside of the normal brokerage and forwarding requirements.

Associates

Correct accounts for a correct business.

- We deal with money paid, received, borrowed, or owed by NEXT MARITIME companies all over the world. Global liquidity management structure.
- Identifying a company's needs and objectives.
- A chart of accounts (COA), representing a unique set of codes to record all an entity's transactions consistently, is a well-recognized, fundamental accounting need for our complex organization with numerous divisions and cash accounting. It is essential to be able to collate financial information that is relevant, both for internal management and external parties.
- It is required to file accounts on an annual basis with the relevant authorities.
- These accounts should detail items of expenditure and revenue and outline the profit on which tax is payable.
- **Efficiency**
A quick and accurate service, with all tax matters filed on time, every time.
- **Correctness**
We know our business is to keep our accounts in a straight forward
- **Accessibility**
Contact us when you need.
- **Priority**
Following the NEXT MARITIME companies worldwide requirements, no matter the size of the business, every operation it is important.
