agency@nextmaritime.com

An entirely independent Spanish company with International renown, founded in 2010. Headquartered in Tarragona, home to the largest petrochemical complex in the country, and one of the largest in the south of Europe since 1965. Francesc Dianez, owner of the company, began his shipping career in 1985 in his hometown of Tarragona. With the experience he gained, he open his first company in 1993 and created and developed the Ship Agency Hub Concept for a reduced number of international customers. In 2010, he wanted to expand his services worldwide and work with many more countries for many other customers, and decided to take his expertise and experience and open Next Maritime. Now with our International Hub operators, located in Asia Pacific, Europe, Africa and Americas, we're servicing clients in more than 822 ports in 141 countries. The agency provides the highest quality services to all type of vessels, catering for the individual needs of each client. We are totally committed to providing high quality standards, security, safety, environmently friendly, credit-worthy, ethical, completely independent & fully recognizing civic responsibility according to the following: DNV ISO 9001:2015, ISO 14001:2015, ISO 45001:2018, CDI-MPC, AEO EC Regulation, FONASBA, TRACE & ITIC London.
